

**One-Day
Time To Teach Workshop**

Classroom Management

**for Pre K-12 Principals, Assistant Principals,
Teachers, School Counselors**

"Perhaps one of the most unchallenged assumptions in school settings today is that children are arriving at schooling ready and willing to behave. We have generations of students arriving at school who are not as well "socialized" as students of yesteryear. We must teach our students the behaviors we expect them to demonstrate!"

*Rich Dahlgren, President- **Time To Teach***

Time To Teach trainings consist of Five Core Components:

1. Self-Control Strategies

- Learning calm is contagious and silence is powerful strategies
- Dealing with challenges on student time
- Personal space awareness
- Avoiding power struggles
- Diffusing challenges

2. Classroom Design Techniques

- Desk arrangements
- Ecological revisions
- Use of: Color, Scent, Music, Lighting

3. Teaching to Appropriate Behaviors

- Teaching to classroom rules
- Teaching to classroom routines
- Teaching to common or shared area expectations
- Teaching behaviors using the I do-we do-you do method

4. Accurate and Timely Consequences

- Refocus™ ~ eliminating 90% of classroom challenges
- Avoiding multiple warnings and repeated requests
- Using start-up and shut-down prompts

5. Student Teacher Relationships

- Connecting with kids
- Unconditional Positive Regard (UPR)
- Turning challenging students into allies
